4.1	General.
	Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest.
4.2	Trustee's fees.
	Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rates on the court's website for the prior five years. It is incumbent upon the debtor(s)' attorney or debtor (if pro se) and the trustee to monitor any change in the percentage fees to insure that the plan is adequately funded.
4.3	Attorney's fees.
	Attorney's fees are payable to Calaiaro Valencik In addition to a retainer of \$ 1,500.00 (of which \$ was a payment to reimburse costs advanced and/or a no-look costs deposit) already paid by or on behalf of the debtor, the amount of \$2,500.00 is to be paid at the rate of \$200.00 per month. Including any retainer paid, a total of \$ in fees and costs reimbursement has been approved by the court to date, based on a combination of the no-look fee and costs deposit and previously approved application(s) for compensation above the no-look fee. An additional \$ will be sought through a fee application to be filed and approved before any additional amount will be paid through the plan, and this plan contains sufficient funding to pay that additional amount, without diminishing the amounts required to be paid under this plan to holders of allowed unsecured claims.
	Check here if a no-look fee in the amount provided for in Local Bankruptcy Rule 9020-7(c) is being requested for services rendered to the debtor(s) through participation in the bankruptcy court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above).
